

ROMAN BLINDS

ELEGANT FOLDS

Roman Blinds offer the best of both worlds - style and practicality! Tailored fabric folds give a sophisticated style, while the pull-up design is very practical.

We also offer Batten Blinds, which are Roman Blinds fitted with slim wooden strips along the horizontal joins of the fabric. Roman Blinds offer the ultimate choice in style and fabric, enabling them to work well in any space.

TECHNICAL INFORMATION

Control Options

Roman Blinds can be fitted with cord control, chain control, or they can be motorised and automated with Wynmotion Motors.

Fabric Type

Roman Blinds can be made with block-out fabric, light-filtering fabric or sunscreen fabric. Within these fabrics, there is a vast range of colours, textures and patterns to choose from. Ask your Sales Consultant, or visit a showroom, to view the range.

Batten Blinds

Batten Blinds are a form of Roman Blinds, but are fitted with slim wooden strips along the horizontal folds. (Traditional Roman Blinds use discrete metal battens at the back of the blind to pinch the fabric together.)
