

PROTECT YOUR HOME

Keep your home secure with Crimsafe, manufactured and installed by Wynstan. Crimsafe Doors feature Crimsafe's patented Security Screw Clamp System and cannot be cut, kicked down or pried open. Crimsafe Doors can be hinged, folding or bi-fold, meaning there is a Crimsafe solution for almost any doorway.

TECHNICAL INFORMATION

Mesh

Crimsafe Security Doors feature Crimsafe Tensile-Tuff® Security Mesh, which is made of 304 Grade Stainless Steel. This mesh consists of strands that are 0.9mm thick, while most other similar products use strands which are 0.8mm thick. This difference is not visible, but makes Crimsafe mesh 26.5% thicker at a cross section, making it much stronger than other meshes.

Screw Clamp System

Crimsafe Security Doors feature a patented Security Screw Clamp System. While inferior products simply glue or wedge mesh into a frame, Crimsafe sandwiches Tensile-Tuff® Security mesh between two serrated pieces of aluminium. The result is a strong, vice-like grip which has a much greater tolerance to force than many competing products.

Triple Lock

All Crimsafe Doors are fitted with a triple locking system.

Mid-rails

For extra security, mid-rails can come standard with your Crimsafe Doors. Mid-rails help strengthen the resistance of your door's lock against a jemmy attack and protect the hinges by reducing an intruder's ability to lever it from the wall. Mid-rails also form a visual safety barrier.

Colour

Crimsafe Bi-fold Security Doors are available in a variety of different frame colours including Woodgrain and an extensive range of custom colours.

BENEFITS

Cross section of mesh and frame and the screw clamp system.

Superior strength against impact

Seven times higher than impact testing standards.

Energy efficient

Crimsafe reduces solar heat gain by up to 53%. The Tensile-Tuff® security mesh also blocks 62% of harmful UV rays.

Streamlined

Crimsafe doors offer a sleek design and contemporary style.

Airflow

Crimsafe doors provide excellent security, are able to stop flies and still allow air to flow into your home.

Satisfaction Guaranteed

Crimsafe Security Doors come with a 10 Year standard Warranty, and an extended 10 Year limited warranty.
