

WHISPER SHEER SHADES

ELEGANT SOPHISTICATION

Whisper Sheer Shades are an elegant window covering, they provide privacy without darkening the room, and allow you to view your outdoor environment without revealing glare on the windows. Whisper Sheers combine the sheer fabric of a curtain, the tilting vanes of a venetian, and the roll-away function of roller blinds.

TECHNICAL INFORMATION

Range

There are four types of Whisper Sheer fabric, each fabric type also comes in a range of colours:

- Ombrage (translucent fabric)
- Nuage (room darkening fabric)
- Brilliance (translucent fabric)
- Mystique (room darkening fabric)

Vane Sizes

Choose from 3 different vane sizes:
50mm, 65mm or 75mm

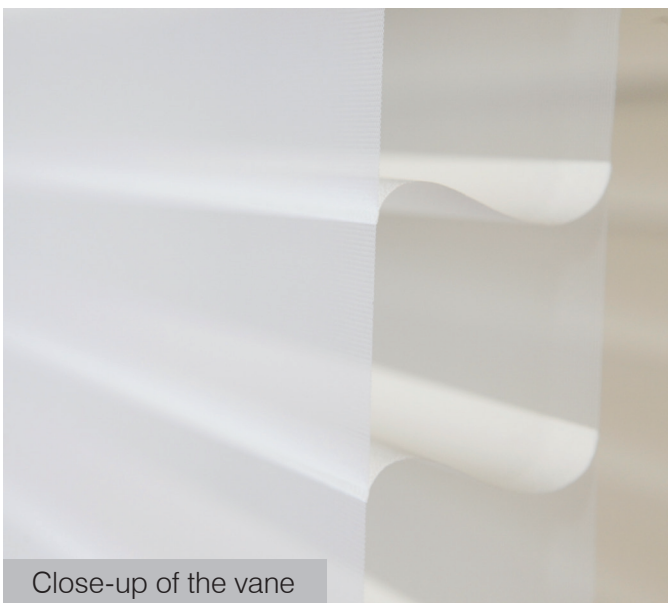

Design Function

Whisper Sheer Blinds are created by soft vanes suspended between two layers of sheer fabric. Light and privacy is controlled by raising or lowering the tilt of the vane.

Control Options

Whisper Sheer can be fitted with a single cord control, continuous cord loop system, cordless system or even a motorised system.

BENEFITS

Close-up of the vane

Easy To Clean

The anti-static nature helps repel dirt and dust.

Rolls Away

When retracted fully, the roll of the blind is concealed by a fashionable cassette.

Child-Safe

In order to keep little ones safe, we install child-safety devices on all products.

Satisfaction Guaranteed

Quality installation is assured with our specialist team, and peace of mind with a Wynstan 3 Year Warranty*.
