

## AUSTRALIS SHUTTERS

### MADE IN AUSTRALIA

Wynstan Australis Shutters is a perfect solution to enhance your living areas. Australis Shutters are made from a dense polymer foam which is water resistant and fire retardant. Australis Shutters provide 3 times the insulation of a wood shutter, which will increase the overall energy efficiency in your house.

# TECHNICAL INFORMATION

## Style Options

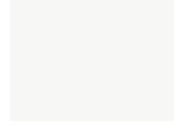

Australis Shutters can be made in a variety of styles such as Bi-Fold, Sliding, Fixed or Hinged. They are also available in different shapes such as; circle, half circle, triangular, arched and sloping top.

## Blade Size

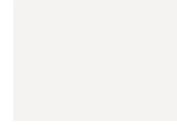

We offer 89mm wide blade.

## Colour

Australis Shutters are available in 2 colours: Bright White, Off White.

Bright White

Off White

Australis Shutter Shutter Style	Minimum width	Minimum height	Maximum width	Maximum height
Single hinge	250mm	290mm	750mm	2400mm
Fixed panel	250mm	290mm	750mm	2400mm
Bi-fold	250mm	290mm	500mm	2400mm
Single sliding	250mm	290mm	750mm	2400mm
Sliding combo	500mm	290mm	1500mm (2 x750mm)	2400mm

# BENEFITS

## Water Resistance

Ideally suited for use above kitchen sinks, bathrooms or other high humidity areas.

## Termite Proof

The dense unique polymer foam is 100% Termite proof.

## Additional Insulator

With a great R value (R-2.1), it insulates 3 times greater than timber and 6 times greater than Polyresin.

## Child-Safe

The lack of cords or cables adds an extra level of child-safety.

## Satisfaction Guaranteed

Quality installation is assured with our specialist Shutter team, and peace of mind with a Wynstan 25 Year Warranty.\*

\* For more information about our Wynstan 25 year warranty, please see our Warranty & Care Guide manual.

## Shorter Lead Time

Australis Shutters will be ready to install just 4 weeks from check measure.

## Flame Retardant

Being fire retardant and self extinguishing, Australis Shutters are well suited to both residential or commercial projects.
