

## KIDS FABRICS COLLECTION

## COLOUR AND IMAGINATION

Choose from our range of designed-for-kids fabrics to brighten up your child's room. Let their imaginations run free with colour and friends!

Wynstan takes its childcare safety responsibilities very seriously. For your peace of mind, all the corded window coverings will be supplied with child-safety devices.

# TECHNICAL INFORMATION

## Colour

There is a wide range of block-out kids fabrics that all come with 100% UV protection.

## Automation

By doing away with cords and chains, choking hazards are removed and your home is safer for toddlers and small children. Automation allows for a sleeker finish, which is ideal for child safety.

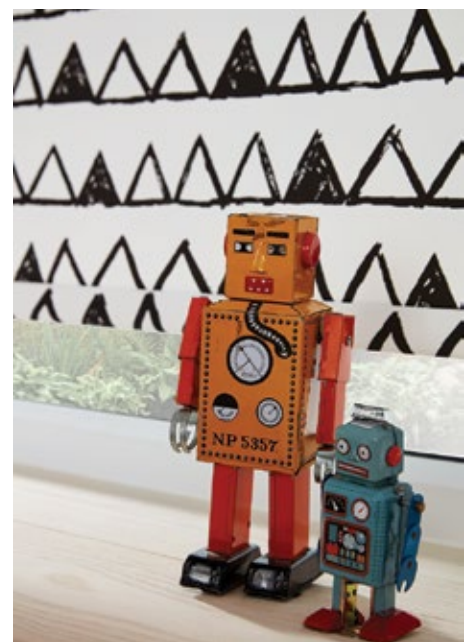

## Child Safety

Wynstan always fits a child safety device on every cord-operated product and ensures that your blinds have been installed correctly. These safety devices are intended to remove the hazardous loop from the reach of children.

# BENEFITS

Fabric glows in the dark

Close-up of Child Safety Device

## Light and Privacy

When fully rolled down, blinds with kids fabric will prevent most of the light entering the room, making them perfect for bed time.

## Satisfaction Guaranteed

Quality installation is assured with our specialist team, and peace of mind with a Wynstan 3 year warranty\*.

\*For more information about our Wynstan 3 year warranty, please see our Warranty & Care Guide manual.
