

ALUMINIUM SHUTTERS

PERFECT FOR OUTDOOR SPACES

Aluminium Shutters are the perfect outdoor solution as they are practical, functional and stylish – providing protection against the elements. Aluminium Shutters are incredibly durable and feature a high UV powder coated finish.

TECHNICAL INFORMATION

Style

Aluminium Shutters can be made in a variety of styles such as Bi-Fold, Sliding, Fixed or Hinged. This ensures that there is a solution for any space.

Blade Size

Aluminium Shutters come with a standard blade size of 89mm.

UV Powder Coated Finish

Aluminium Shutters have a UV powder-coated finish, offering superior protection against the elements and making them a perfect outdoor solution. However, this does not stop them from being used indoors.

Colour

Choose from four different colour options.

Pearl White

White Birch

Precious Silver

Black

Colours are for illustrative purposes and not an accurate representation, but are to act as a guide. Actual samples are available to view in a showroom.

BENEFITS

Weather Resistant

Aluminium Shutters are incredibly durable with a powder-coated finish.

Stylish

Aluminium Shutters offer all the charm of Plantation Shutters in a weather-resistant finish.
