BLOCKOUT

- With an ability to reduce light and noise levels as well as their air of elegance and luxury, blockout curtains have long been a popular choice for bedrooms and formal dining areas
- Use them to create the look and feel of a luxury hotel suite, especially when paired with blockout Roller Blinds

FABRIC OPACITY

SHEER

- Sheer fabrics allow light to be diffused, while allowing you to enjoy the view. Designed to stop glare but allowing light in, they are the perfect choice when visibility is important
- They can also be used to great effect in open plan living spaces, by adding layers to stark interiors and bringing texture and softness to the most minimal of designs

CONTROL TYPE

HAND DRAWN

Simple in both operation and aesthetics, hand drawn curtains glide easily on our quality tracks. A cord-free and affordable option.
