

# DESIGN STYLES

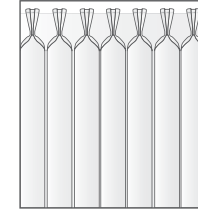

## S-WAVE

Elegant and understated in their aesthetic, S-Waves are a favoured choice of architects and interior designers. Ideal for creating a relaxed and soft appearance around your windows, they add a luxurious layer that works with modern interiors.

## REVERSE BOX

This decorative heading has pleats sewn in for a tailored finish. Classic in design, this style creates a tidy look and a sophisticated profile.

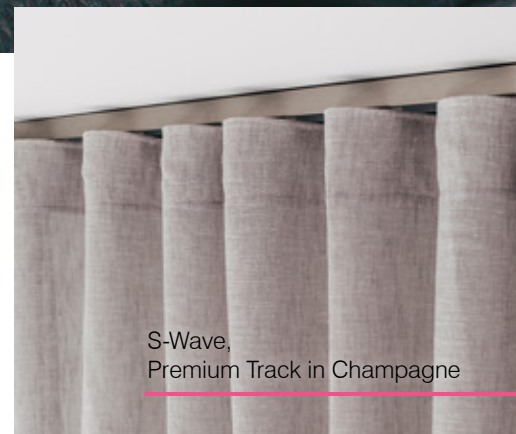

## DOUBLE-PINCH

These classic curtains are effortlessly beautiful with a clean hang thanks to their signature waterfall pleat.

## BLOCKOUT

- With an ability to reduce light and noise levels as well as their air of elegance and luxury, blackout curtains have long been a popular choice for bedrooms and formal dining areas
- Use them to create the look and feel of a luxury hotel suite, especially when paired with blackout Roller Blinds

# FABRIC OPACITY

## SHEER

- Sheer fabrics allow light to be diffused, while allowing you to enjoy the view. Designed to stop glare but allowing light in, they are the perfect choice when visibility is important
- They can also be used to great effect in open plan living spaces, by adding layers to stark interiors and bringing texture and softness to the most minimal of designs

# CONTROL TYPE

## HAND DRAWN

Simple in both operation and aesthetics, hand drawn curtains glide easily on our quality tracks. A cord-free and affordable option.
