

SIESTA BLIND SYSTEM

50mm channels used for
room darkening

ULTIMATE BLOCKOUT EXPERIENCE DAY OR NIGHT

The perfect sleep starts with a dark space, explore our Siesta Blind System for the ultimate blockout experience in your bedroom day or night. Siesta Blind System is also perfect for spaces where darkness is required, such as media and AV rooms.

TECHNICAL INFORMATION

Channel And Cassette

Siesta Blinds System feature 50mm wide side channels which help secure the fabric and blockout the light. It also features a full cassette headbox, which can be colour coordinated to match the channels.

Light and Privacy

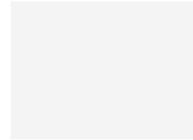

When fully rolled down, Siesta Blinds System prevent almost any light entering the room. Furthermore, they also ensure privacy, making them perfect for meeting or entertainment rooms.

Control

Siesta Blinds System are operated by chain control, or they can be motorised with a Wynnemotor motor or Smart Home System.

Colour

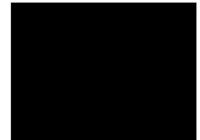

3 standard colour for hardware, custom colors available.

White

Clear

Black

BENEFITS

Improve Sleep Quality

A perfect sleep starts from a dark space. This is the best blind in the Wynstan range to blockout light day or night.

Light Control
