

A low-angle, upward-looking photograph of several modern skyscrapers with glass facades. The buildings are dark, and some windows are illuminated with warm yellow light. The sky is a pale, hazy blue. The perspective creates a sense of height and architectural grandeur.

# WHO IS WYNSTAN?

Wynstan is one of Australia's largest manufacturers, wholesalers and retailers of window coverings, awnings, security doors and screen products. We are a company with great products, ideas, solutions and are committed to working in partnership with Architects, Designers, Engineers, Specifiers and Builders, managing high volume commercial projects of all sizes.

We are a family business, in operation since 1968, and pride ourselves on offering quality products and exceptional service.

# WHAT DO WE FOCUS ON?

Wynstan Commercial is focused in the commercial market and specialises in the manufacture and supply of:

- **Blinds**
- **Crimsafe security doors & screens**
- **Flyscreen doors & screens**
- **Fire Attenuation screens**
- **Shutters**
- **Curtains**
- **Awnings**

# WHAT DO WE FOCUS ON?

We are a licensed dealer of Crimsafe Security Doors and a client of Hunter Douglas components and fabric.

Our retail arm consists of 30 Showrooms across NSW & VIC servicing homeowners with custom made and installed blinds, doors, shutters and awnings.

# WORLD CLASS PRODUCTION

## State of the Art Machinery

Wynstan is passionate about preserving manufacturing in Australia and has invested several million dollars over the past few years upgrading equipment at its Yennora factory. This investment will ensure the Wynstan manufacturing plant is competitive with overseas producers of blinds, doors, screens and awnings.

## Highly Trained Staff

Wynstan employees are hired for their passion for the products they make, sell and install. Wynstan has over 320 staff and on average these employees have been with the company for 10 years. Wynstan invests in training by hosting weekly product and procedure sessions with the Sales Consultants and Installers. The Wynstan team is highly motivated to deliver outstanding customer experiences at the right price, on time, and as per the scope.

# BOARD OF DIRECTORS

## **BRUCE TURNER**

**Managing Director,**  
52 Years at Wynstan

Bruce is an accountant by trade. He started Safeguard Security Systems back in 1968 and has seen Wynstan grow into the company it is today.

## **ANDREW TURNER**

**Operations Director,**  
24 Years at Wynstan

Andrew has an Operational Management degree and uses this training to oversee the customer service department, despatch, manufacturing and Installation teams.

## **BOB CRITCHLEY**

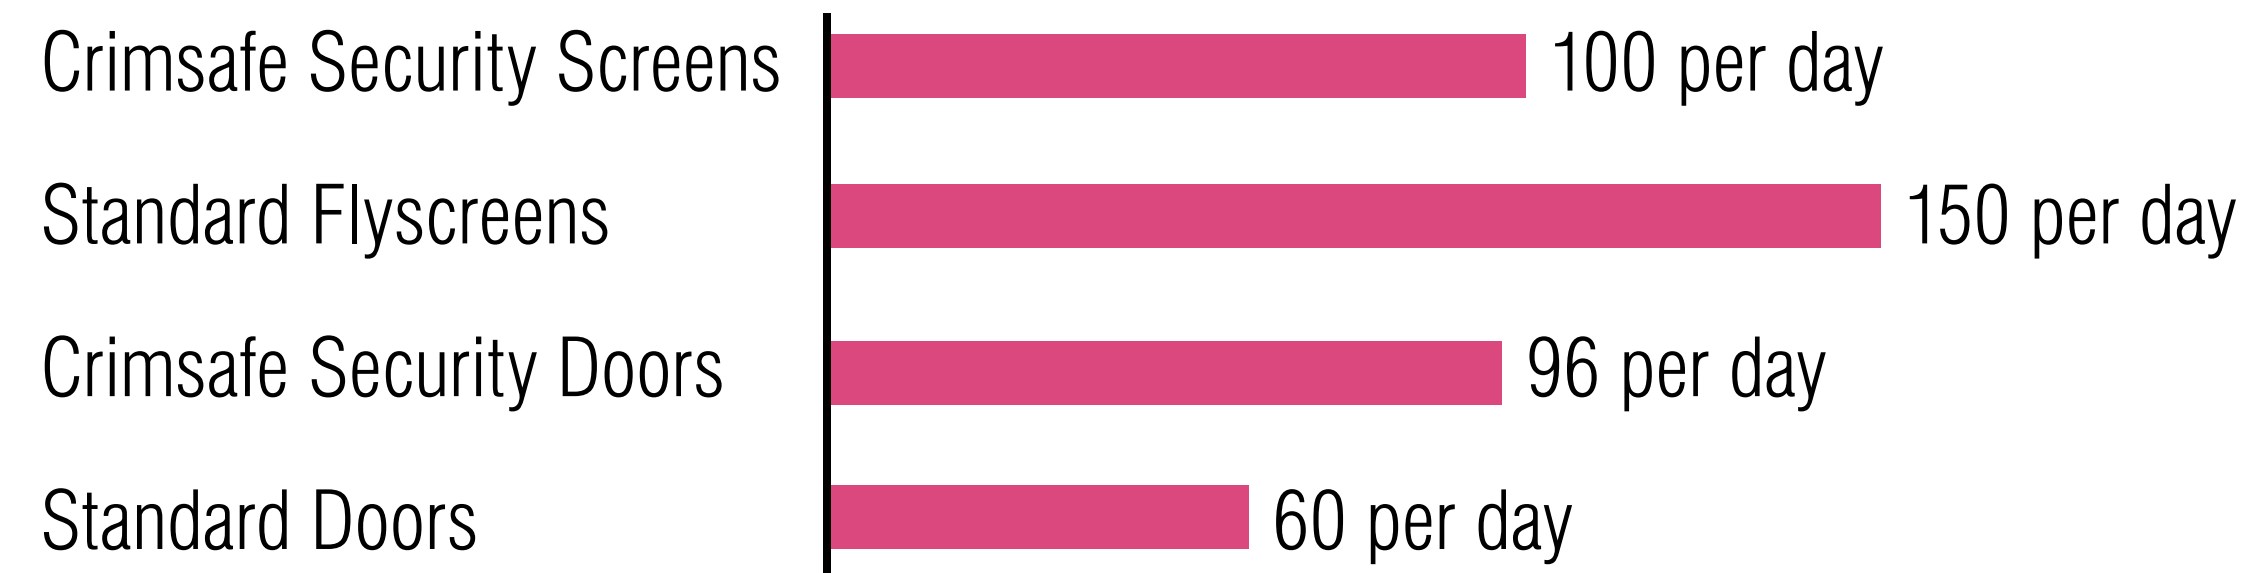

**Board Member,**  
11 Years at Wynstan

Bob is a Strategic Workforce Consultant and Company Director for Wynstan. He offers an external perspective on the company for the directors.

# INTEGRATED BUSINESS MANAGEMENT SYSTEM

The Integrated Business Management System developed for Wynstan Commercial provides a graphical user interface to the documentation, systems, procedures, policies and forms that specifically address the requirements of ISO 9001 and the statutory obligations to external bodies such as WorkCover and Safe Work Australia. This covers all areas of work, health and safety, quality assurance and environmental protection.

The aim of the system is to fulfil certification requirements for ISO 9001 and any statutory components of ISO 14001 and AS 18001 that are incorporated into Safe Work Australia documentation and methodology.

Every person that works with Wynstan has a responsibility to ensure that WH&S policy and procedures are adhered to:

- Management pursue the goals of the policy and procedures and ensure they are adhered to.
- Supervisors take measures to implement safe work processes and ensure the safe work environment
- Employees share the responsibility for their own safety and that of their co workers and others affected by their work.
