

HAMILTON UMBRELLA

A VALUE-PACKED SHADE FOR ANY OUTDOOR SPACE

FEATURES & BENEFITS:

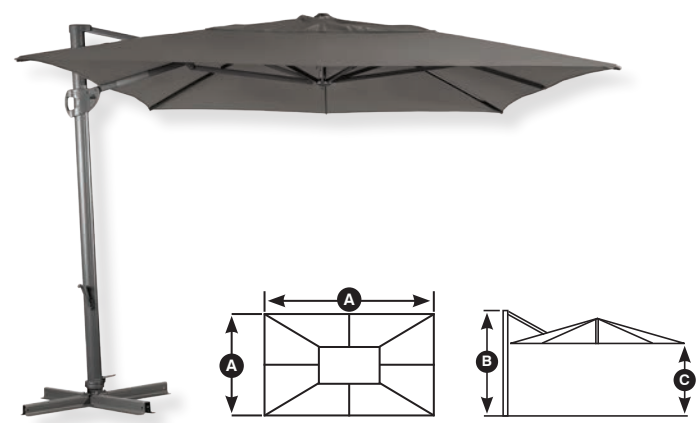

- Each umbrella creates over 12 sqm of shade, providing ample coverage for large areas, perfect for relaxation and entertaining.
- Effortless rotation, follow the sun effortlessly with 360° foot pedal control.
- Built to last, constructed from rust-resistant aluminium with marine-grade fittings.
- Versatile tilt, easily adjust the tilt from horizontal to 55° with the press button lock.
- All-Weather protection, comes with a waterproof cover to keep your umbrella pristine.
- Choose from 6 vibrant O'bravia canvas colours, offering a 98% UV block.

SHAPES & SIZES

380cm Octagonal

400 x 300cm Rectangle

FABRIC COLOURS

O'Bravia Fabric is a premium outdoor canvas crafted with a special process that locks colour deep into the fibers, preventing fading. It's highly water-resistant and offers excellent UV protection, blocking 98% of UV rays with a UPF of 50.

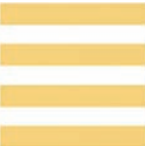

Natural

Boulder Grey

Charcoal Ridge

Yellow Stripe

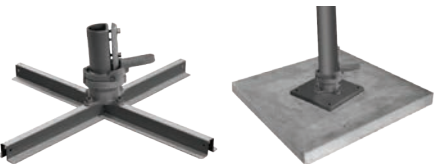

Navy Stripe

*Stripe Fabrics are only available in 380cm Octagonal with white frame.
