

DOGGY DOORS

FOR YOUR FURRY COMPANIONS

We understand that there's nothing more frustrating than having to open and close the door for your pets all the time. Wynstan takes pleasure in providing Australian homes with convenience at every level, even for your furry four-legged friends. We offer customisable Doggy Doors that are available for both screen doors and flyscreen doors.

TECHNICAL INFORMATION

Sizes

Available in three sizes to suit pets of all sizes:

- Large: 400mm (H) × 260mm (W)
- Medium: 305mm (H) × 225mm (W)
- Small: 240mm (H) × 190mm (W)

Medium and large sizes include a magnetic latch to reduce flapping and keep the flap in place.

Colours

All Plastic Doggy Doors are available in Black, White, Primrose, Stoney Beige, Brown and Bronze.

Design & Use

Made from durable plastic, the Doggy Door flap swings both ways so your pet can push through from either side. The transparent flap helps pets see what's on the other side, encouraging independent use.

Security

Please be aware that by adding a Doggy Door to a Crimsafe Door, it will no longer be classed as a Security Door and instead become a Safety Door.
