

ELEGANT FOLDS

Roman Blinds offer the best of both worlds - style and practicality! Tailored fabric folds give a sophisticated style, while the pull-up design is very practical. Roman Blinds offer the ultimate choice in style and fabric, enabling them to work well in any space.

TECHNICAL INFORMATION

Control Options

Roman Blinds can be fitted with cord control, chain control, or they can be motorised and automated with WynnMotion Motors.

Fabric Type

Roman Blinds can be made with block-out fabric, light-filtering fabric or sunscreen fabric. Within these fabrics, there is a vast range of colours, textures and patterns to choose from.

Design

The maximum size for Roman blinds is 3000mm*3000mm. Additionally, its design features fabric-covered headbox and bottom rail, ensuring no visible hardware from the front view.

Mounting Options

Roman Blinds can be installed inside the window recess (reveal fit) for a clean, built-in look, or on the outside (face fit) to enhance coverage and block out more light.
